BRIEF OVERVIEW / CAREER OBJECTIVE / SUMMARY

Seeking a challenging career with a progressive organization that provides an opportunity to capitalize on my personal skills, technical skills & abilities in the field of Information Technology (IT).

KEY EXPERTISE / SKILLS

C++ Cyber Security Mobile Application Development Android Studio Blockchain Distributed Systems HTML5 CSS
Javascript Java

EDUCATION

Savitribai Phule Pune University B.E. - Information Technology - MITAOE CGPA: 6.75 / 10.00	2016 - 2020
Navbharat Sr Sec Sch, Udaipur, Udaipur 12 th BSER Percentage: 63.20 / 100.00	2015
Happy Home Public School Sec Sch, Aaspur(Dungarpur), Aaspur 10 th BSER Percentage: 69.50 / 100.00	2013

INTERSHIPS

Lipi Data System Ltd. Key Skills: Training Web Development HTML CSS Learn the Basic Development Program in the Training period and created a small website in the training period and helped me to explore more in the field of web development.	June 1, 2019 - July 20, 2019
---	------------------------------

PROJECTS

Blockchain in Music Industry Mentor: Dr. Manish Giri Team Size: 4 Key Skills: Blockchain Distributed Systems Smart Contract Python Flask By utilizing blockchain technology create a comprehensive and accurate decentralized database of music rights, the possibility for instantaneous and totally transparent transmission of artist royalties, including real-time distributions to co-writers, producers, technology partners, publishers.	Sept. 5, 2019 - June 15, 2020
Team Portal Mentor: Pankaj Choudhary Team Size: 3 Key Skills: Android Java Firebase A Platform where students, as well as teachers, can post their project ideas and the interested students can send a request to join that project and if accepted then they can continue with them.	March 1, 2019 - May 15, 2019
EZ Script Mentor: Mr. Santosh Warpe Team Size: 3 Key Skills: Cyber Security Kali Linux Python Created a Multi-Purpose Tool using python. some of the tools are wifi spoofing, zip cracker, Macchanger, and IP spoofing.	Aug. 25, 2018 - Feb. 12, 2019

PUBLICATIONS / RESEARCH / WHITE PAPERS

Maintaining the Revenue Ledger for the Music Industry Using Blockchain Technology Review Paper Mentor: Dr. Manish Giri No. of Authors: 4 Key Skills: Blockchain Smart Contract Consensus This paper explores the practice of Blockchain Technology in Music industry using distributed system. After analyzing the industry's supply chain, we can say that the demand of streaming music online is growing every day and the music can be accessed easily by everyone. But this ease of access have introduced a level intermediation between artists and fans leading to inefficiency of the royalty payments systems and also increased online piracy of music. The goal of this paper is to identify blockchain technologies which can be helpful in music supply chain to allow artists to	
---	--

capture more from their own products (music). This paper discuss some technologies and concepts related to blockchain and distributed systems and how these technologies can be used to create a transparent music platform.

ASSESSMENTS / CERTIFICATIONS

Project Expo 2019

Subjects: National Level Project Competition

Key Skills: Android Studio Java Firebase Mobile Application Development

Created a mobile application where teachers, as well as students, can post their project ideas on the wall and the interested students can send a request to join that project and if the request is accepted then he/she can start working on the project.

Cybersecurity Foundation

Key Skills: Cyber Security

Java Programming Masterclass for Software Developers

Key Skills: Java Java Collection Java Networking Programming

Introduction to HTML5 by University of Michigan

Key Skills: HTML5

Completed the introduction of HTML5.

Interactivity with JavaScript by University of Michigan

Key Skills: Javascript

Introduction to CSS3 by University of Michigan

Key Skills: CSS3

Technical Support Fundamentals by Google

Key Skills: Technical Support

SEMINARS / TRAININGS / WORKSHOPS

Barclays Training Program

Dec. 26, 2019 - Dec. 31, 2019

Institute Name: MIT Academy of Enineering

Key Skills: Communication Skills Group Discussion

It's a training program where students get a platform to learn and explore new things. where I have learned basic skills for my interview such as communication skills, how to speak in a group discussion and what are the problems that I faced for my first interview.

CO-CURRICULAR ACTIVITIES

- Volunteered in Technical Events.
- Attended Web Development Training in Campus.

EXTRA CURRICULAR ACTIVITIES

- Visionary Fighter
- Volunteered for Traffic Control in Alandi on the Occasion of Ganesh Festival in 2016 and 2017.
- Volunteered in Exceed 2016.

PERSONAL INTERESTS / HOBBIES

- Cricket
- Dancing
- Watching Movies and Tv-series.

PERSONAL DETAILS

Gender: Male

Marital Status: Unmarried

Current Address: 109, Premsai Apartment Dehu Phata, Alandi, Maharashtra, India - 412105

Emails: ahpanchal@mitaoe.ac.in , anshpanchal99@gmail.com

Date of Birth: Dec. 1, 1998

Known Languages: Hindi, English, Marathi, Gujarati

Permanent Address: V.P.O, Punali, Dungarpur, Rajasthan, India - 314028

Phone Numbers: +91-9079647847
